

LAKE MACQUARIE SCHOOL ENVIRONMENT AWARDS PROGRAM 2017

The 2017 School Environment Award Program is designed to support environmental education programs in state, independent, primary and secondary schools.

Complete the schools sustainability survey and your school has the chance to win a Lake Macquarie School Environment Award.

To discuss how Council can help your school become more sustainable call **4921 0144** or email pjbaker@lakemac.nsw.gov.au.

No entry form required - schools will be judged on information in your completed schools survey form.

Each school that completes the survey will receive prizes to the value of **\$50**

JUDGING CRITERIA

Your school must complete the schools survey form. Information on energy, water, waste, and grounds will be used to judge category prizes.

PRIZES

The School Environment Awards Presentation will be held on Wednesday 18 October 2017.

Overall winners (primary and high school)	\$500
Innovation award	\$250
Category winners (5)	\$200
Most improved	\$200
